SEEKERe MDK
Explosives and Narcotics Detection

DetectaChem
Accuracy, Mobility and Reliability

The SEEKERe from DetectaChem represents the cutting edge in portable detection. The SEEKERe has been designed with features specifically requested by end users in the US DOD and government agencies around the world.

One handed operation, a protective rubber boot, and a sealed, water-resistant enclosure make this the ultimate ruggedized battle-ready detector. Industry-leading automated colorimetrics provide accurate detection capability with complete detection screening from a single test.
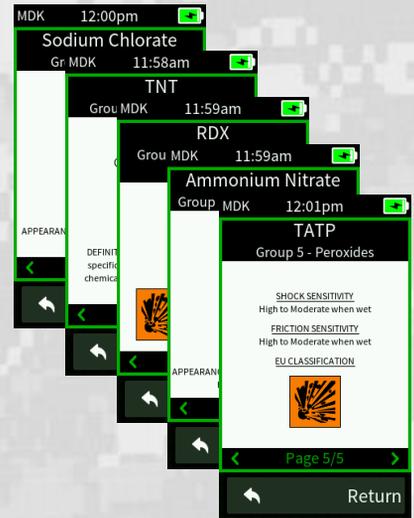

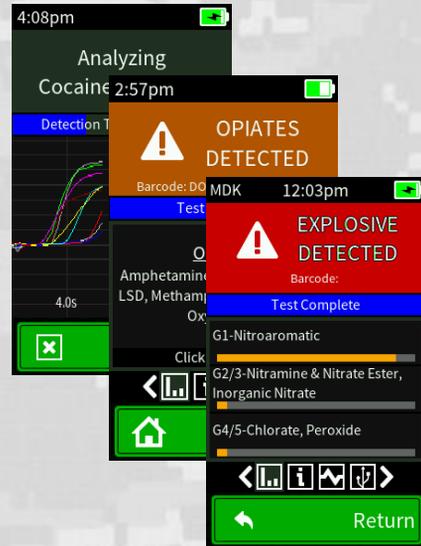

Features and Benefits

✓ **Explosive Detection That Is Truly Portable**

✓ **Easy To Use Digital Diagnostic Capability**

✓ **Non-Visible Detection & Bulk Detection**

✓ **Intelligent Self-Monitoring**

✓ **Explosive & Drug Detection**

✓ **Rugged & Water Resistant**

✓ **Very Low Maintenance, No Downtime**

✓ **No Radiation Source, No Bake Out**

✓ **Multiple Languages**
